**Re:** NCE Select Squad Invitation Pro Academy Tour 2023

**DEAR PARENT:**

I am delighted to extend the invitation to your player to participate in the 2023 Pro Academy Tour in England. Your player has been selected based on their performances across our various NCE programs and after recommendations and feedback from our coaching staff.

The Pro Academy Tour is developed around tournament that features some of the top academy programs in the UK. In 2022 our boys and girls' teams played against such established clubs as Manchester United, Leicester City, Nottingham Forest, Sunderland, Arsenal, Aston Villa, Wolverhampton Wanderers and many other clubs from around the UK. The aim for our teams that attend this tournament is to compete for the top prize and last year we had many teams who not only beat the teams listed above but went on to represent us in the final games. .

In 2022 the format of the tour saw the teams enjoy coaching sessions with coaches from top academies such as Manchester United and Leicester City from the English Premier League but then play a series of games in a festival format before the tournament proper. Most of our teams played over 10 games across a 3-day period with the NCE staff involved in coaching and managing the squads. Players stay in college type accommodation with all meals included and get the chance to immerse themselves in the Pro Academy experience.

We have a very limited number of places for each squad to ensure playing time for everyone on tour. In 2022 we had to set up waiting lists as rosters fill up fast on a first come first served basis.

Further information on the tour can be found on the following pages including the itinerary, payment schedule, refund policy, group flight details and even travel insurance options. We hope that you, your player, and your family will join us on this opportunity of a lifetime.

If you have any questions, please do not hesitate to contact me.

Kind Regards

# John Curtis

For that reason, we have chosen to partner with TripMate who are an industry leader in providing high-quality travel protection products and services for the traveling public. They work with renowned organizations such as Tourism Cares, the United States Tour Operators Association and are a founding member of the US Travel Insurance Association. In addition to offering industry leading travel protection plans, they provide administrative services for claims, product design and underwriting, while helping customers with our state-of-the-art claims handling.

They offer policies that include trip cancellation, trip interruption, trip delays and even cancel for any reason. The coverage can include coverage for medical expenses, 24-hour travel assistance services as well as plans for issues with baggage and personal effects. Please note that other insurance providers are available, and we recommend you review all opportunities but remember to confirm what is specifically included. The cost for coverage can vary based on reasons such as the cost of the trip and the level of coverage for expenses related to trip cancellation, travel delays or interruption, lost, stolen or delayed luggage, medical or dental coverage, emergency services and other expenses.
