Re: NCE Girls 2024 Italy Select Squad

DEAR PARENT:

I am delighted to invite your player to represent the National Center of Excellence program as we tour Italy in 2024 with some of our top female athletes. Your child has been selected based on her performances in NCE programs over the previous 12 months and feedback from our elite coaching staff.

Our 2023 tour of Italy was a huge success, and this year promises to be an incredible event that will become one of the highlights of the NCE calendar. Selected players from the 2010 and 2012 age group will have the opportunity to test themselves in a series of games against some of the top girls' teams from Northern Italy.

In addition to the soccer, this tour also provides an amazing cultural experience for the players and their families, exposing them to some of the world's most famous cities and historical landmarks.

In the following pages you will find further information on the tour itinerary, payment schedule, refund policy, and even travel insurance details. Our 2023 tour was sold out so we would suggest if you are interested to go to your family portal and register as soon as possible to avoid disappointment.

We hope that you, your player, and even your family will join us on this incredible experience.

If you have any questions, please do not hesitate to contact me.

Kind Regards

John Curtis

They work with renowned organizations such as Tourism Cares, the United States Tour Operators Association and are a founding member of the US Travel Insurance Association. In addition to offering industry leading travel protection plans, they provide administrative services for claims, product design and underwriting, while helping customers with our state-of-the-art claims handling.

They offer policies that include trip cancellation, trip interruption, trip delays and even cancel for any reason. The coverage can include coverage for medical expenses, 24-hour travel assistance services as well as plans for issues with baggage and personal effects. Please note that other insurance providers are available, and we recommend you review all opportunities but remember to confirm what is specifically included. The cost for coverage can vary based on reasons such as the cost of the trip and the level of coverage for expenses related to trip cancellation, travel delays or interruption, lost, stolen or delayed luggage, medical or dental coverage, emergency services and other expenses.
