NCE Soccer will be inviting selected players to attend the 2024 Pro Academy Tour in England to compete against some of the best professional academies in the UK and others from around the world. We will be taking boys and girls teams to represent NCE and train with top academy coaches as well as play against elite programs.

Re: NCE Select Squad Invitation Pro Academy Tour 2024

DEAR PARENT:

I am delighted to extend the invitation to your son to participate in the 2024 Pro Academy Tour in England. He has been selected based on his performances across the various NCE programs and after recommendations and feedback from our coaching staff.

The Pro Academy Tour is developed around a first class tournament that features some of the best academy programs in the UK. In 2023 our boys and girls' teams played against professional clubs like Leicester City, Nottingham Forest, Sunderland, Arsenal, Aston Villa, Brighton and Hove Albion, West Ham United and many other clubs from around the UK. Our aim is for the players to experience what European Academy football is like and hopefully inspire them to take the lessons they've learnt back to the US.

In 2024 our teams and supporters will spend 3 nights in London in a top class hotel, before heading north to Oakham School for a 4-night stay. Whilst in London we will have the chance to practice together as well as train at professional academies. Off the field we will be able to visit the famous city, tour the sights and even take in a stadium tour.

When we get to Oakham, we will play another friendly game to prepare, before starting the tournament proper on our 5th day in England. Most of our teams will play 10 games across a 3-day period with the NCE staff involved in coaching and managing the squads. When we arrive in Oakham the players will move into college type accommodation of the school, with the parents and supporters checking into their next hotel for 4 nights.

After feedback from players and supporters we have decided that all NCE Summer Touring groups will attend a 4 night residential camp in late June 2024. This will provide the players with the time necessary for field and classroom sessions, to develop the tactics we will deploy while on tour. Players will return home before getting ready to travel to England.

Further information on the tour can be found on the following pages including the itinerary, payment schedule, refund policy, group flight details and even travel insurance options. We hope that you, your player, and your family will join us on this opportunity of a lifetime.

If you have any questions, please do not hesitate to contact me.

Kind Regards

John Curtis
