**Re:** NCE International Prep Camp 2024

Congratulations on your son/daughter selection for the NCE International Select Squad for their age group this summer.

To prepare for the upcoming tournament, we are inviting all selected players to attend a 5 day 4 night residential team training camp. The team will work with their assigned coach and focus on team shape, playing style, positional responsibilities, set pieces and other essential tactical aspects.

The team will partake in 3 x sessions per day which will include classroom sessions to ensure the group understand all principles & concepts. We hope that this more professional approach to our international competitions, will ensure all players get the most out of the experience.

Its vitally important that your child prioritizes this camp over others and for the team to get full benefit from the camp 100% attendance is important.

As always, if you have any questions whatsoever, please do not hesitate to reach out.

Kind Regards

*John Curtis*
