

NCE SOCCER

PRO PLAYER PATHWAY TOUR

Thursday 13th to Thursday 20th February
2025

2007 - 2009 Girls

Selected, 2007, 2008 & 2009 **NCE** Girls are invited to travel to England and experience what it takes to become a professional player. This amazing event provides selected players with an unparalleled international soccer experience. Playing against and training with top Professional Academies in England, watching live professional games, touring some of the best-known soccer stadiums in the world and staying in top class hotels.

A female soccer player is captured in action on a green field. She is wearing a black short-sleeved jersey with the NCE logo and a Nike swoosh, black shorts with the NCE logo, black socks, and red cleats. She is dribbling a soccer ball with her right foot. Her hair is tied back and is blowing in the wind. The background is a blurred green field.

‘NCE is committed to providing the best possible development opportunities for our players and we hope that the experience of competing at the international level will provide selected players with the inspiration necessary to greatly accelerate their own development.’

Re: NCE Pro Player Pathway – England Tour 2024

DEAR PARENT:

I am delighted to announce that after the great success of our Pro Player Pathway Tour in 2023 and 2024 we will be traveling to England once again. Your player has been identified by our coaching staff as someone who would be a great representative of NCE based on their performance and attitude at our events. We would therefore like to extend an invite for them to join our upcoming tour in February 2025.

This event has been established to take the best of our 2007 - 2009 girls to play against and train with top professional club's academy programs including some of our international partners. Our players will get to experience what it is really like to play and train as an elite player within the UK club system and measure themselves against some of the top players across the Northwest of England.

During our tour we will play and train against top academy programs, attend live professional games, visit some of the best-known stadiums in England and stay in top class hotels. This promises to be a great event for our players and the opportunity to truly live the pro player pathway.

TRAVEL INSURANCE AND TRIP MATE:

They work with renowned organizations such as Tourism Cares, the United States Tour Operators Association and are a founding member of the US Travel Insurance Association. In addition to offering industry leading travel protection plans, they provide administrative services for claims, product design and underwriting, while helping customers with our state-of-the-art claims handling.

They offer policies that include trip cancellation, trip interruption, trip delays and even cancel for any reason. The coverage can include coverage for medical expenses, 24-hour travel assistance services as well as plans for issues with baggage and personal effects. Please note that other insurance providers are available, and we recommend you review all opportunities but remember to confirm what is specifically included. The cost for coverage can vary based on reasons such as the cost of the trip and the level of coverage for expenses related to trip cancellation, travel delays or interruption, lost, stolen or delayed luggage, medical or dental coverage, emergency services and other expenses.
